History Culminating Essay : Immigration Policies in Canada

Has Canada always been fair when it comes to immigration? Immigration is a term used to describe the migration of people to a new country in search for a better lifestyle (*dictionary.com*) and is a worldwide occurrence that allows countries to grow both socially and economically. More job opportunities, better education, healthcare and freedom are various pull factors that attract people into Canada whilst poverty, political or religious persecution, disease and discrimination are push factors that shove citizens out of their mother country. Many well-known Canadians were once immigrants. In fact, Canada's first Prime Minister John A. Macdonald immigrated to Canada from Scotland many years ago (*Nick - 4*). Although immigration to Canada has many benefits, Canadian immigration policies in the past have often been prejudicial as well as discriminating. The Canadian government developed useless policies that made it almost impossible for a certain race to immigrate; these policies produced many challenges, obstacles and hardships for many races and ethnicities. Essentially, immigration to Canada in the early 20th century was not always fair because of many discriminating policies including the war measures act of 1914, the continuous journey regulation and the Chinese immigration act.

Many innocent immigrants faced humiliation and difficulties when the War
